Yes

**Department contact:** CAFO**Tip or Complaint:**

One of Hickman's waste trucks hit their brakes too hard at the corner of Indian School Rd. and 411th ave. in Tonopah and spilled several hundred pounds of decaying ground-up chicken remains. I believe this would be under bio solids and I have been informed that they are currently having a problem with the bird-flu. They did not notify ADEQ, so much for self-policing. Pictures are all over Facebook.

**Update to Tip or Complaint:****Specific Directions to Site:**

One mile west of 411th ave. just off I-10
